## Commander's Corner Kathy Nicholson, Post Commander

### HAPPY NEW YEAR – 2026!

I am honored - and humbled - to serve as the new Commander of Post 24 for 2026. I am truly grateful for the guidance, support, and advice being shared by our past officers and employees. Your willingness to help is so appreciated.

There are certainly big shoes to fill following our past Commanders, and I look forward to continuing the strong traditions they have built. I am excited about the many events and activities planned for 2026 and hope to see both familiar faces and new members at our Post throughout the year. Members are encouraged to **bring a friend** to our events—whether they are a veteran, a family member, or someone interested in learning more about the American Legion. Our Post is at its best when we come together and welcome others.

If you have ideas, suggestions, or things you would like to see happen at the Post, please don't hesitate to reach out to me or any of our officers. Be sure to check the newsletter or our website to see who your new officers are for the coming year, and the monthly events and activities.

**Membership Reminder:** Please renew your membership as soon as possible. Members without their 2026 card may miss receiving the newsletter and information about upcoming events and activities.

Thank you for your continued support of Post 24. I look forward to a great year together. (Post Meeting Jan 17<sup>th</sup> - 3<sup>rd</sup> Monday, 6 PM)

## Dan Hervey's Commander's Exit

When you elected me to be the 2023 Post Commander, I never thought it would be for 3 years. I hope that I have fulfilled the duties of the office as expected. I have tried to attend Post activities as often as possible, which I felt was important. We have been blessed to have awesome Past Commanders. Under their commands, we have seen the kitchen get remodeled, the north parking lot paved, the Walk of Honor installed, a separate smoking lounge, new paint and ceiling tiles throughout the Post, and now the completion of the entryway and foyer remodel. I have all the confidence in the world that Kathy Nicholson will be a great Commander and will lead us through the second phase of our planned museum remodel.

**Thanks to Jim LaDuke.** Not enough people recognize what Jim LaDuke does for this Post. I'm not going to list all he does, but we all know he manages the lounge, handles payroll, pays the bills, etc. He also puts together the agenda for all the Commanders. For me, he made sure we had food for our Post meetings. These last 2 years in particular have been challenging for me, and he has been there for me. Thank you Jim for all you do to keep this Post running.

## Drink Prices Update Starting January 1, 2026

Starting January 1, 2026, American Legion Post 24 will be making a small adjustment to drink prices due to rising costs in 2025. Beer will increase by \$0.25 and mixed drinks by \$0.50.

We're grateful for your understanding—and we're committed to continuing to offer some of the best drink values in town, along with something you can't find just anywhere: a place where you're known by name, welcomed like family, and your support helps keep our Post strong for members, veterans, and our community.

Just a slight change in officers for 2026: Celeste Gawanda was voted in as secretary at the December Rider Meeting. ## Log Your Volunteer Hours Help Tell Post 24's 2025 Service Story

As we wrap up 2025, we're collecting volunteer hours so Post 24 can accurately report the impact our members make—both at the Legion and throughout our community. That includes volunteering at Post 24 and service with other organizations and events such as The ReUseIt Center, All Schools Day, church or school projects, youth activities, and more. And don't overlook the everyday acts of service that reflect who we are: giving someone a ride to a doctor's appointment, helping a neighbor clean up their yard, checking in on a friend, or lending a hand when it's needed. If you volunteered in 2025, please send us your estimate of total hours (and a brief note about what you did). Every hour matters—because every hour helps show what it means to belong to an organization where you're known by name and where service is personal. Leave a printed copy at the bar Mon-Sat, 4-8pm or send your **Total Volunteer Hours** and a brief summary to: [adjutantpost24@gmail.com](mailto:adjutantpost24@gmail.com) with the subject line: **"Adjutant: 2025 Volunteer Hours"**.

## Super Bowl at the Legion – Feb 8

Plan to come to the Legion on Feb 8 to watch the Super Bowl. More details about hours and shared snacks will be announced.

## Valentine's Dinner/Dance – Feb 14

Plan ahead to join us for Dinner and Dance on Feb 14. Dinner will be served at 5:30 PM with Country, Soul, and Blues music in the evening. More details will be posted online on the website and in the February Newsletter.

*Nearly 200 years of wisdom – and they still made last call.*

The American Legion is more than just a veteran's organization; it's a community of individuals dedicated to service, patriotism, and the well-being of those who have served the nation, their families, and their communities.

## Employees and Volunteers Honored

**Kathy Nicholson, Dan Hervey, & Anne Clark**

The annual dinner to appreciate Legion employees and volunteers was held on Tues, Dec 16<sup>th</sup>. Honorees and their spouses were treated to a special dinner. After the meal, 2025 Commander Dan Hervey and 2026 Commander Kathy Nicholson expressed appreciation for the volunteers' help with Legion activities, maintenance, and behind the scenes roles. They also handed out annual bonuses to the paid employees. They especially thanked Anne Clark who is central to the Post's operations. She manages the bar and rentals. On the night of the employee dinner, she took a shift at the bar when another employee was ill and missed the dinner.

Your Post officers and members greatly appreciate the Legion employees' time and effort!

## Toy Run was a Success

Despite having to cancel the motorcycle parade, we had a decent turnout for the auction. As expected in this situation, numbers were down for attendance, toys, and income but we were still able to bring in over \$13,000! The Auxiliary distributed toys to those in need.

## Toys for Kids – Dec 15-20

The Legion Auxiliary Toys for Kids program was able to distribute toys to 317 children in need this year. Special thanks to everyone who helped with this program. We could not do it without the volunteers. We would also like to thank all of the sponsors and those who donated toys and items for Toy for Kids and the Toy Run Auction.
