## Commander's Corner - Kathy Nicholson, Post Commander

As we enter November, I want to take a moment to reflect on what makes our American Legion Post 24 so special — the people. Whether you are a Legionnaire, a member of the Sons of the American Legion, Auxiliary, or Legion Riders, each of you plays an important part in making our Post a place where veterans, families, and friends feel welcome.

November is especially meaningful as we celebrate Veterans Day. It is a time to honor the men and women who have served our country and remember the sacrifices made to protect the freedoms we enjoy today. I encourage everyone to take a moment to thank a veteran, listen to their story, and remember that our commitment to veterans should extend well beyond one day each year.

One of the things I am most proud of is the way our Legion Family continues to give back to our community. Recently, we have seen how quickly life can change for families right here in McPherson. Our hearts go out to those affected by the tragedy involving our soccer families. Supporting neighbors during difficult times is part of who we are, and I hope our members will continue to show generosity and compassion.

We have several activities coming up in November, including the Veterans Steak Night sponsored by Pfizer's Veterans Colleague Resource Group on November 7th, The Flatland Band performing on November 21st, and our annual Toy Run on November 28th, with the King Midas playing that evening. The Toy Run is a wonderful tradition that helps bring Christmas joy to children and families who might otherwise go without. Please consider donating toys, money, or auction items, or volunteering your time. Every bit helps.

As we approach Thanksgiving, I want to personally thank all our volunteers. So much of what happens at the Legion depends on people who willingly give their time, whether it's preparing meals, helping with events, working on improvements, or simply stepping up when something needs to be done. Your efforts do not go unnoticed, and they are sincerely appreciated.

I also want to encourage everyone to get involved. You don't have to serve on a committee or take on a big responsibility to make a difference. Sometimes just offering to help for an hour or bringing a friend to an event is all it takes. We have a lot of good things happening at Post 24, and there is always room for another helping hand.

Finally, if you haven't paid your 2027 membership dues, please take care of that soon. This includes our Legionnaires, SAL, and Auxiliary members. And while you're at it, think about inviting someone new to join our Legion Family.

As we gather with family and friends this Thanksgiving, I hope we all take time to appreciate our blessings, remember those who may be struggling, and be thankful for the friendships and support we share.

**Wishing you and your families a safe and Happy Thanksgiving!** - Kathy Nicholson, Post Commander

## Operation Green Light for Veterans – Nov 4–11

The McPherson County Commissioners have proclaimed November 4–11, 2026, as **Operation Green Light for Veterans Week** to recognize and honor the men and women who have served our country.

During this week, green lights will be displayed at the McPherson County Courthouse and County Building. Residents and businesses are also encouraged to participate by placing a green light in their windows.

This is a simple way for our community to show veterans that we appreciate their service and sacrifices. It is especially important that we remember those who are transitioning from military service back to civilian life.

Find more information and resources at:
https://www.naco.org/program/operation-green-light-veterans

**Let's show our veterans how much McPherson County appreciates them. Put a green light in your window November 4–11 and help us spread the word!**

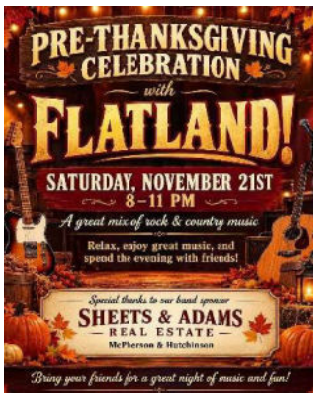

## Family Night Nov 19 Supporting the Optimist Club

The Family Night on Thursday, November 19 will benefit the McPherson Optimist Club, which generously sponsors the Gifts for Teens program for our entire community each year. They help make the holidays brighter by providing Christmas gifts for local teens.

Come enjoy a great meal and help support an organization that does so much for our community!

## Pre-Thanksgiving Celebration with Flatland!

Get ready for a fun night at American Legion Post 24! Join us **Saturday, November 21st, from 8–11 PM** as **Flatland** takes the stage with a great mix of rock and country music.

Before the Thanksgiving holiday gets busy, come out, relax, enjoy some great music, and spend the evening with friends!

A special thank you to **Sheets & Adams Real Estate**, with locations in McPherson and Hutchinson, for sponsoring the band and helping make this evening possible.

**Bring your friends and join us for a great night of music and fun!**

## Honoring Our Own – Troop E, 114th Cavalry

In our October newsletter, we shared the history of Troop E, 114th Cavalry and the display located on the north wall of our Legion. Since then, we've taken a closer look at the names on that display, and have something special to share.

Thirteen of those men are still with us today and are members of our very own American Legion Post 24!

We would like to recognize:

- Carl Anderson
- Frank Anderson
- Kenneth Barber
- James Decker
- David Dossett
- Wayne Ensz
- Kenneth Koehn
- Lonny Liljegren
- James Ryan
- Daniel Schafer
- Barrett Woellhof
- Lonnie Yowell
- Leonard Miller

These men were once young soldiers from our community who answered the call to serve their country. Today, they are our friends, neighbors and fellow Legionnaires. How fortunate we are to still have them as part of our Legion family!

The next time you see one of these gentlemen at the Post, take a moment to shake his hand, thank him for his service, and maybe even ask him to share a memory or two.

Gentlemen, we are proud of you, grateful for your service, and especially proud to call you our own!

## A Tradition of Giving: McPherson Toy Run

For nearly 40 years, the McPherson Toy Run has brought people together for one very special reason - to make Christmas a little brighter for local children and families.

The tradition began 39 years ago when members of ABATE (A Brotherhood Aimed Toward Education), a motorcycle rights and safety organization, including "Mama Keena" Longstaff, Al "Sheriff" Longstaff, "Crazy Ed" & "Watchdog," organized the first McPherson Toy Run. That first year, just 11 motorcycles and three cars participated. The group gathered at the old Point Club on Old Highway 81 before eventually moving their starting location to the Z's Club.

In those early years, donations were taken to the National Guard Armory and distributed through the Angel Tree program. When the Armory closed, Becky LaDuke and a group of friends stepped up to keep the tradition going. They began organizing the toy distribution in the basement of American Legion Post 24, making sure local children and families continued to receive a little extra help during the Christmas season.

A few years later, the American Legion Riders became involved and helped carry on this wonderful tradition. Over the years, the Toy Run has been canceled on only three occasions due to bad weather. Despite those setbacks, the commitment to helping local children and families has never wavered.

Today, the Toy Run continues to be a special event supported by the American Legion Riders and many generous people throughout our community. Over the years, the program has grown to help approximately 300–350 families, with donations and auction proceeds helping provide Christmas gifts for children who might otherwise go without. The auction alone has raised between $14,000 and $16,000 in some years.

**This year's Toy Run will be held Saturday, November 28, 2026**. The ride will leave Walmart at 1:00 p.m. and make its way to the American Legion, where **lunch will be served before the auction**. Everyone is invited to come out and enjoy a bowl of chili, visit with friends and support this wonderful cause**. The auction will begin at approximately 1:30–2:00 p.m., following lunch**.

**Ken Gawanda, Director**
Next Meeting Nov 22nd at 1 PM (4th Sun, 1PM)

King Midas will provide entertainment that evening, making it a full day of fun and fellowship for a great cause. Toy distribution is scheduled for December 14–19.

**We are always in need of donations of new toys, monetary contributions and items for the auction**. Every donation, large or small, helps us reach more families and make Christmas a little brighter for local children. Whether you donate a toy, contribute a few dollars or provide something for the auction, your generosity truly makes a difference.

And if you would rather give a little of your time, volunteers are always welcome to help wrap presents and distribute gifts to families. You don't have to be a Legion member to lend a hand. It's a wonderful opportunity to get involved, meet some great people and experience firsthand what this tradition means to our community.

What makes this tradition so special isn't just the motorcycles, the auction or the money raised. It's the people. From those first riders nearly four decades ago to the volunteers who sort toys, wrap presents, organize donations and help families today, so many individuals have given their time and energy simply because they care.

We are proud that American Legion Post 24 has played a part in this tradition for so many years. It's another wonderful example of what can happen when people come together to help their neighbors.

**To everyone who has ridden, donated, volunteered or supported the McPherson Toy Run over the years, thank you. Because of you, countless children have experienced a little more joy on Christmas morning. And that's what this tradition is all about.**

## When Our Community Hurts, We Come Together

One of the things I have always loved about McPherson is how our community comes together when someone needs help. We have seen it time and time again, and the recent tragedy involving our soccer families is another reminder of just how important it is to be there for one another.

At American Legion Post 24, we are fortunate to have four organizations — the Legionnaires, Sons of the American Legion (SAL), American Legion Riders, and Auxiliary — that truly care about our community. Whether it's supporting veterans, helping local families, or stepping up when there is a need, giving back is a big part of who we are.

Our Legion family is making a donation to the McPherson Community Foundation fund established to help the families affected by this heartbreaking tragedy. We know that no amount of money can ease the pain these families are experiencing, but hopefully, together, we can help make the days ahead a little easier.

I also encourage our members to consider making a personal donation, if they are able. Every donation, large or small, is a way to let these families know they are not alone. Donations can be made through the McPherson Community Foundation with *McPherson Soccer Families* on memo line.

I am proud to be part of an organization that cares so much about others. We don't always talk about the things we do for our community, and that's okay. It's not about getting credit. It's about being there when it matters.

**We are more than four organizations sharing a building. We are one Legion family, and McPherson is our home. When our neighbors hurt, we hurt with them. And when we can help, we should.**

## Celebrate the Toy Run with King Midas Band!

After a great day supporting the annual Toy Run, stick around for an evening of live music and fun! **King Midas Band** will take the stage at American Legion Post 24 on **Saturday, November 28, from 8:30–11:30 p.m.**

Come out, enjoy some great music, spend time with friends, and help us wrap up a wonderful day of giving back to our community. Everyone is welcome!

## Meet Our Post Service Officer – Richard Johnson

Did you know that one of the most important ways the American Legion serves veterans is by helping them understand and access the benefits they have earned?

McPherson American Legion Post 24 is fortunate to have **Richard Johnson serving as our Post Service Officer.** Richard is here to help veterans and their families find the information, resources, and assistance they need.

A Service Officer can help veterans with a variety of concerns, including:

- **VA Benefits and Disability Claims:** Helping veterans understand their benefits and connecting them with accredited representatives who can assist with filing claims.
- **Healthcare:** Providing information about VA healthcare, eligibility, and available services.
- **Pensions and Financial Assistance:** Helping veterans and surviving spouses learn what assistance may be available.
- **Survivor Benefits:** Helping families find information about burial benefits, survivor pensions, and other VA programs.
- **Community Resources:** Connecting veterans with organizations that provide housing, transportation, counseling, and other support.

Whether you served recently or many years ago, you may be eligible for benefits you don't even know about.

We encourage all veterans and their families to reach out to Richard with questions or concerns. If he doesn't have the answer, he can help point you in the right direction.

**Contact Richard Johnson at 620-798-7279.**

That's what the American Legion is all about—**veterans helping veterans.** We're proud to have Richard serving our Post and helping us continue that mission.
